Volunteering

*"We make a living by what we do,
but we make a life by what we give."
-Winston Churchill*

Our volunteers donate their time and talents for a variety of reasons:

- A desire to help others
- Sharpen their skills for re-entry into the workforce
- Exposure to careers in healthcare
- Meet new friends
- Stay active and make a difference

And, they can be found in almost every department:

- Greeting visitors
- Involvement with community projects, such as blood drives and health screenings
- Staffing the Gift Shop
- Coffee shop
- Providing directions for guests
- Couriers

Volunteering can be a source of pride, enjoyment and challenge. We hope you will choose to become an important part of our hospital team.

Once we receive your application, you will be contacted by the Volunteer Services Coordinator to schedule an interview.

Basic Requirements for Adult Volunteers

Because the safety of our employees, patients and other volunteers is a priority, a criminal background check is required (paid for by the hospital). This requires a social security number.

If you are looking for a change, a challenge or new friends, volunteering with the Service League at Watsonville Community Hospital may be the place for you to make a difference.

All volunteers must be 18 years of age.
