

TO ALL VISITORS

Rubber gloves are not to be worn into the hospital from outside

Please remove gloves and perform hand hygiene

No masks inside of the hospital with exhalation valves

Please change your mask for one of our hospital masks. Thank you

- ❖ Visiting hours have changed, but visitation at WCH is not fully open
- ❖ Only 2 visitors at any one time in a patient's room. Visitors can trade off, but the visitors being replaced must leave the hospital. Waiting Rooms are closed and corridors cannot be used to wait on others. Corridors are only used to travel to and from a patient's room
- ❖ Social distancing still remains in effect
- ❖ Masks must still be worn at all times in all hospital areas
- ❖ At all times, visitors must contain cough and secretions by covering cough or sneezing with a tissue, disposing of tissue immediately in trash container and immediately wash hands
- ❖ Any visitor with COVID like symptoms will not be allowed

**Thank you for helping us to keep our hospital safe
for our staff and your loved ones**
